

Non-exclusive License - Copyright

Assuming the artist or artist's estate or representative (the "Artist") holds copyright in some work under some internationally recognised legal system, then;

Nothing in this agreement assigns or infringes on any moral rights the Artist may have in the work and nothing herein changes the Artist's ownership of the copyright in the work.

By signing this agreement the Artist only gives ArtistArchive.com a non-exclusive license to reproduce and provide public access to the work by way of digital or other technology used by ArtistArchive to distribute images of the work.

This Licence extends to all works by the Artist except:

This License can be revoked at any time but only with respect to works that have not been added to ArtistArchive's database. ArtistArchive can continue to use the images of any works added to the database prior to notice of revocation.

In the event ArtistArchive should charge a fee to any member of the public to view a specific work of the Artist then the Artist will be entitled to 10% of the actual fees paid.
